With its **low acoustic level**, this chambrage cellar is **great** for keeping your favorite drinks at your fingertips and at the right temperature.

Double temperature zone with **independent management** of the temperatures.

An **aesthetic** and **contemporary** chambrage cellar with its **large glass surface**, **recessed handle**, and its wire shelves with **wooden fronton**.

Its **digital** sensitive control panel "**Soft Touch** "is intuitive. The settings are accessible from the door facade to **limit openings** and so to **preserve** your drinks from brutal changes of temperature.

Eco-responsibility

Our products are manufactured in compliance with European environmental rules.

Energy consumption is calculated based on the result obtained for 24h in standard test conditions. The actual energy consumption depends on the conditions of use and location of the device.
This equipment is designed to be used in an ambient temperature between 16-32°C.

Alcohol abuse is dangerous for health, please consume in moderation.

*Capacity given as an indication with 75cl Bordeaux traditional type bottles and measured with 4 shelves. Adding shelves reduce considerably the total capacity.
